

Dear Supporter

Thank you for making a donation to Circus Starr

Circus Starr is the 'Circus with a Purpose'. We are an independent charitable organisation which supports disadvantaged and disabled children across the United Kingdom. We aim to provide a great opportunity for children and their families to share an enjoyable time together free of charge.

Your donation will help us bring the fun, excitement and magic of the circus to those who would not usually get the chance to experience such an event. We aim to create long term change within the towns we work, building awareness of the issues facing disadvantaged children through holding an inspiring all human circus production which brings people together to connect in an enjoyable way.

We rely heavily on the generosity of supporters like yourselves and without your donation we would be unable to bring joy to thousands of children each year.

*On behalf of the staff at Circus Starr, **THANK YOU** again for support. Your donation means a great deal to all at Circus Starr but even more so to the children and families that will directly benefit from your kindness.*

Kind Regards

Circus Starr
