

The Hollins Christmas Market

The Hollins Technology College have recently been working closely with Santa's Pizza Accrington. On Thursday 5th December Santa's Pizza proudly sponsored the first ever Christmas Market at the school. The Christmas Market was a great success raising over £800 which will go towards replacing the school minibus.

Santa's are proud to support local community projects, they sponsored the market and provided pizzas for sale at the event. Sarah Ginn Marketing and Fundraising Officer said " The pizzas went down a storm and when we ordered more they were delivered by a very special guest-Father Christmas.

Also during the same week Ishrat Medhi from Santa's delivered a food hygiene lesson to some Year 10 pupils as part of their AQA qualification.

Steve Campbell, Headteacher said "its great to work with local companies, Santa's Pizza have done some great work at The Hollins in the last month and we hope to build on this relationship in the new year."
