

Santas help out at fundraiser!

Noah and brother Jayden

Sycamore FC coaches Liam & Ty

Sycamore United JFC have been fundraising to buy a life-changing piece of equipment for two brothers.

Noah McGibbon, eight, who plays for Sycamore United JFC, and his brother Jayden, three, both suffer from cystic fibrosis.

The football team wanted to help the boys out and so parents and friends have come together to raise money for a special vest to help the boys who suffer from Cystic Fibrosis.

Santas were proud to participate in help raise funds for the boys at the latest event on the 29th of March at the Railway Club, Rosegrove.

Sycamore United JFC have currently raised £5985.00 of the £7000 that is required. If anybody would like to donate and help achieve the target please contact Dave on 07715640417. Parents Lisa and Vinny are grateful for your support.
